Peace of Mind Protection

Your Holiday Cancellation Protection

Unlike traditional holiday insurance, our cancellation plan provides you with peace of mind from the moment you make your holiday booking. For one small charge of **£8** per Short Break and **£12** per full weeks booking, the balance of the holiday is protected (excludes your non-returnable deposit and cancellation plan premium).

The deposit for a Short Break is **£65** (includes cancellation plan premium) and **£80** per full weeks booking (includes cancellation plan premium).

Our unique protection covers you and the owners of our holiday homes with the right cover. Our owners who reserve accommodation on your behalf also need the reassurance that they will be paid for their accommodation should the necessity arise to cancel a booking at the last minute. The person who initially makes the booking is responsible for the full hire cost, even if you decide you are unable to take the holiday as planned.

Our cancellation protection is now mandatory. Please note this is not Travel Insurance* this is Carefree Holidays own Cancellation Agreement with you – see notes regarding travel insurance at the bottom of page.

Should you need to cancel for one of the following reasons: Illness, injury, death or maternity of a member of your party, please call our main offices at your earliest possible convenience followed by a written explanation of your reasons for cancelling. It is imperative to telephone as early as possible. For claims relating to medical issues, we request supporting medical certificates. For bereavements, we request a copy of the death certificate.

If you cancel your holiday after the balance of hire is due or has been paid, and the required supporting evidence provided, we will refund your balance of hire (or relieve you of the responsibility of the payment of the balance if it is still outstanding).

Please note: The cancellation protection expires at 11:59pm the night before your holiday start date.

Exclusions:

- Your initial deposit (this is deemed a booking fee)
- Disinclination to travel
- Claims as a result of any accident or illness of your family pets
- Changes in your financial circumstances or unemployment
- Curtailment of holiday
- Illness without proof
